United States Magistrate Judge
United States District Court for the
Southern District of West Virginia
Federal Building

Beckley, West Virginia 25801

Re: *Jones v. Seifert, et al*
Civil Action No. 5:04-0660

Dear Judge VanDervort:

Currently, the petition for habeas corpus in the above referenced case is pending in this Court.

I am writing to inform the Court that I will be away from my office, and out of the country from October 10, 2009 through, October 26, 2009.

For that reason, I would be grateful if the Court would not hand down a decision on the petition until after my return. Although there is local West Virginia counsel retained on this case, I am responsible for the litigation.

I am a solo practitioner with no staff. Thus, while I am away it is impossible for me to perform any necessary action in a timely manner – such as filing objections to a report and recommendation within the allowed 10 days, should the need for that arise. Even a decision handed down in the few days before my departure would not allow me that ten days, and would compromise my ability to effectively represent Mr. Jones.

I appreciate your consideration of this request.

If you have questions or need additional information, please contact me.

Sincerely,
Robert Rosenthal
Attorney for Lee Jones
